

Volume 10, No. 3

You had subscribed to *Tingue Topics* at our Web site. It's only three times per year but if you need to leave the list, scroll to the bottom.

Now, see what's hot at the laundry.

Ty Acton, Editor

You Said It!

"What the hijacking taught me was that nothing is lost until we choose to give up, and we can all do a lot more than we think."

— *Captain Richard Phillips*

Generations of Innovation for Laundries Worldwide

Talley Parts Catalog A Holiday Wish Book

If you work in a laundry then this catalog may be more fun than a Sears holiday wishbook used to be. In 116 pages, it features hundreds and hundreds of parts to fit flatwork ironers, extractor presses, washers, dryers and other equipment from nearly every top manufacturer worldwide.

Packed with sizes, diagrams and details, it showcases Maxi-Press extractor press membranes and may be the most comprehensive guide to specifying the replacement membranes ever produced.

Corner Quotables

"Fear is nature's warning signal to get busy."
~ Henry C. Link

"Courage is doing what you are afraid to do. There can be no courage unless you are scared."
~ Eddie Rickenbacker

"The brave may not live forever, but the cautious do not live at all."
~ Richard Branson

We've now added a rugged, rising spring platform to the classic, 72P-style bulk laundry cart. It's called the 72ERgonomic and response is high.

To try one in your plant, or for a free quote, call your Tingue rep at 800.829.3864 or [click here for their cell numbers](#).

TRSA Inspires

Problem-solving ideas and inspiration often strike at trade shows, meetings and events, where we get fresh perspectives from friends and colleagues from all over the world.

"You can't learn in school what the world is going to do next year."
~ Henry Ford

At the TRSA Annual Conference, we were thrilled to meet Captain Phillips himself, the container ship captain who was captured by Somali pirates.

We're not likely to be bothered by pirates in a laundry or route truck, but anyone who hears his story and manages a staff has to think about how much we care about our people, and how far we'd go to keep them safe.

See lockout/tagout safety reminder [here](#).
